

2nd Annual Gowanie University of Michigan vs Michigan State University Golf Tournament

Saturday, October 19, 2024
(one week before the actual game)

Sign-Up Deadline: October 15, 2024

Cost: \$50.00 Entry Fee
\$20.00 Skins/Greenies
\$20.00 Pizza

Qualifications: Class 1 members with a GHIN handicap

Payout: Winning Team Takes All

Handicap: 12 Month Low

Format: This is a one on one match play event run similar to Sunday at the Ryder Cup. Golfers will represent one of the two schools. Each match won is worth 1 point. Halved match is worth ½ point. When signing up in the pro shop, make sure to let Paul know if you are Green, Blue or neutral (able to play for either side).

Foursomes will be created with two matches in each group. Everyone will play from the white tees. Depending on course conditions, we are prepared to play “The Leaf Rule” as well as “Lift, Clean and Place” (Game time decision). Whichever college football team is the Home team this year, will also be the Home team in this event, and the Home team will have the honors on the first tee.

Tie Breaker: In the event of a tie, there will be a 3-hole, match play format playoff between one player selected from each team. A 15 minute break will be taken after regulation play during which each team shall select one player to represent their school. Your Hosts will make the final decision. If the overtime match is still tied after 3 holes, the playoff will proceed to the 4th hole and become a sudden death, hole by hole match.

Skins And Greenies: A mandatory \$20 per person will be collected for individual skins and greenies (or **GO GREEN**ies if you prefer). These will be paid out in the locker room after the match. Greenies will be worth \$25 per hole and the remaining money will go towards skins. ***In order to calculate skins, you must keep track of 2 scores on your card.*** One to match against your opponent using the difference between your 2 handicaps (12 Month Low) and the other score, for skins, your true net score using 100% of your GHIN handicap (12 Month Low). If your match ends before the 18th hole, you must finish all 18 holes as you are still in for skins and greenies. Finally, you must putt out any hole that might be a skin.

Paul will be providing score cards, collect score cards, and post scores and match play results in the locker room, including skins and greenies.

Food And Entertainment: We are encouraging everyone to stay, enjoy pizza, dice, cards and cocktails afterwards. Paul will be collecting all the money Saturday morning. It is a mandatory \$70 plus an extra \$20 if you are planning to stay for pizza. **Remember:** **THOSE WHO STAY WILL BE** eating pizza and drinking.

Bill Carmody

GO BLUE!

Your Hosts:

GO GREEN!

Steve Witkowski
